AUTHORIZATION TO RELEASE PROTECTED HEALTH INFORMATION

- I authorize i-Health to release medical information via FMH to the designated proxy names above. The following information is to be released: Any and all information as allowed through FMH.
- I understand that I have the right to revoke this authorization at any time.
- I understand that the revocation will not apply to information that has already been released in response to this authorization.
- I understand that the information in my health record may include information relating to sexually transmitted disease, acquired immunodeficiency syndrome (AIDS), or human immunodeficiency virus (HIV). It may also include information about behavioral health or mental health services and treatment for alcohol and drug abuse.
- I understand that authorizing the disclosure of this health information is voluntary. I can refuse to sign the authorization.

- I understand that any disclosure of information carries with it the potential for an unauthorized re-disclosure and the information may not be protected by government confidentiality rules. If I have questions about the disclosure of my health information, I can contact i-Health.
- I understand this authorization must be filled out completely and signed and dated in order to be considered valid, and activation of the FMH proxy access feature must occur within thirty days from the date of this authorization.
- i-Health cannot be responsible for the privacy of the information given to the proxy and cannot prevent the proxy from giving information to another person. At that time, the information is no longer protected by federal and state privacy rules.
- I understand that if I do not sign this form, i-Health will still provide treatment to me as a patient, but the FMH account will not be created for me or my proxy.
